

## **RULES THAT STUDENTS MUST FOLLOW DURING THE SUMMER PRACTICE**

1. Students have to abide by the working conditions of the institution where they do summer practice, discipline, and occupational health safety rules.
2. "Gazi University Disciplinary Regulations" is also valid during summer practice for students.
3. Students have to comply with the sanctions determined by the institution for the damages they may cause due to their faults.
4. Students are under the surveillance of the trainer engineer determined by the institution during the summer practice.
5. Students must comply with the arrival and departure times applied in the institution. When the student is absent for more than three days without permission or excuse, this situation is reported to the university by the institution, and the student's summer practice is terminated.
6. Gazi University does not pay any additional fees to students who do summer practice. Also, Gazi University is definitely not responsible for the financial agreements that the student made with the institution.
