

STUDENT HAND BOOK

REGULATIONS / DIRECTIVES / APPLICATION PRINCIPLES

You can find all the information about your rights and responsibilities throughout your education life in the regulations, guidelines and principles of practice.

ALL OF OUR STUDENTS HAVE THE RESPONSIBILITY TO BE INFORMED ABOUT THE REGULATIONS, GUIDELINES AND PRINCIPLES OF PRACTICE.

WHAT TO DO

- Follow the announcements on the department web page and division boards.
- For all your procedures, follow the durations announced in the 'Academic Calendar'.
- For all registration-related procedures, follow the web page of the department, faculty and university student affairs unit.
- In order to get information about student information system issues, first apply to faculty student affairs and then to the university student affairs by submitting a petition.
- Consult with your academic advisor for course add-drop procedures.
- For the use of the Student Information System, check the help documents published on the web page of the Registrar's Office.
- Please contact our University '[Student Counseling and Scholarship Services Unit](#)' for matters other than education.
- For online applications, contact the Registrar's Office Help Desk.
- To get information about the following topics, please contact the relevant committee.
 - Online Education
 - Internship
 - Undergraduate Transfer and adaptation
 - Double Major / Minor
 - Error of fact
 - Erasmus / Farabi
 - Student Clubs
