Graduate School of Natural and Applied Sciences 2022-2023 Spring Semester Application Criteria

Quatas			Foreign Nationals Quatas		
M.Sc. with Thesis	M.Sc. without Thesis	Ph. D	M.Sc. with Thesis	M.Sc. without Thesis	Ph. D
15	-	5	5	-	2

	M.Sc. with Thesis	M.Sc. without Thesis	Ph. D
ALES Score and Score Type	≥55 (SAY-EA-SÖZ)		≥60 (SAY-EA-SÖZ)
Foreign Language Exam Score*	≥ 55		≥ 60
Undergraduate CGPA	≥ 2,3		
M.Sc. CGPA			≥ 3,0
Reference Letter	No		No
Letter of intention	Yes		Yes

B* : Minimum passing scores are not required provided that candidates certify their scores. YDS/e-YDS/YÖKDİL or foreign language exams whose equivalence is accepted by ÖSYM

Acceptable undergraduate degrees for the M.Sc. Programs

City And Regional Planning; City Planning

Acceptable MSc degrees for Ph.D Programs

Scientific Preparation Program will be applied to graduates of the departments other than the Department of City and Regional Planning. Anatolian Civilizations And The Management Of Cultural Assets; Anthropology; Applied Operation Research; Archaeology; Archeology And History Of Art; Architectural And Urban informatics; Architectural Conservation And Restoration; Architectural Design; Architectural Design Problems; Architectural Engineering; Architectural History; Architectural History And Restoration; Architectural History And Theory; Architectural History, Theory And Criticism; Architectural Protection; Architectural Restoration; Architecture; Architecture And The Built Environment; Architecture And Urban Studies; Architecture, Architecture In A Computer Environment; Architecture, Building Physics; Architecture, Building Research And Planning; Architecture, Planning And Design; Architecture, Survey And Restoration; Basic Art And Design; Big Data Analysis; Business; Caucasia Studies; Certification Of Cultural Assets; City And Region Planning; City And Regional Planning Engineering; City And Regional Planning, City Planning; City And Regional Planning, Landscape Planning; City Design; Civil Engineering; Civil Engineering Transportation; Civil Engineering, Building; Civil Engineering, Coast And Port Engineering; Civil Engineering, Geotechnics; Civil Engineering, Hydraulics; Civil Engineering, Mechanical; Civil Society Organizations; Climate Change; Climate Change, Energy And Health; Climatology And Meteorology; Coastal Zones And Management; Computer Technology And information Systems; Conservation And Management Of Cultural Heritage; Conservation And Repair Of Cultural Assets; Conservation Of Cultural Heritage; Conservation, Renovation And Restoration; Construction Engineering; Cultural Heritage Studies; Cultural Management; Data Analytics; Data And information Engineering; Design; Design Culture; Design Management; Design Studies; Design, innovation, Society; Design, Technology And Society; Development Economics And Economic Growth; Disability Studies; Disabled Studies; Disaster And Crisis Management; Disaster Management; Disaster Management Engineering; Earth Sciences; Earth System Sciences; Earthquake And Structural Engineering; Earthquake Engineering; Earthquake Engineering And Engineering Seismology; Earthquake Management; Earthquake Risk Buildings And Urban Transformation; Earthquake Studies; Ecology; Econometry; Economic And Social Demography; Economic Development; Economic Development And Growth; Economic Development And international Economy; Economic History; Economic Policy; Economic Theory And History Of Economics; Economics And Management Sciences; Economics Theory; Economics-Management Economy; Economy; Economy; Economy And Management; Economy Law; Energy; Energy And Environmental Management; Energy And Environmental Sciences; Energy Policies And Energy Law; Energy Resources And Management; Energy Systems; Energy-Efficient Buildings; Engineering Geology; English Economics; Entrepreneurship; Entrepreneurship And innovation Management; Entrepreneurship And innovation Management; Environment; Environmental And Energy Systems Engineering; Environmental And Technical Survey Of Accidents; Environmental Design; Environmental Engineering; Environmental Management; Environmental Sciences; Environmental Sciences And Engineering; Environmental Technologies; Eurasia Studies; Eurasia Studies; European integration; European Union; European Union Relations; European Union Studies; Gender Studies; General Economics; Geodesy Photogrammetry Engineering, Geomatics; Geodesy; Geodesy And Geographical information Systems; Geodesy And Geographical information Technologies; Geodesy And Geoinformation Engineering; Geodesy And Photogrammetry Engineering; Geodesy Photogrammetry Engineering, Remote Sensing; Geographical information Systems; Geographical information Systems in Planning; Geographical information Technologies; Geography; Geography Of Turkey; Geological Engineering; Geomatic; Geomatic Engineering; Geomorphology; Geophysical Engineering; Global And international Relations; Global And Regional Studies; Global Cities And istanbul Research; Global Relations And The European Union; Globalization And international Relations; Governance And Civil Society Organizations; History Of Turkish Republic; Housing And Earthquake; Housing Production And Construction Management; Human And Economic Geography; Human And Social Sciences; Human And Society Research; Human Geography; Human Studies in Social Sciences; immobile Development; industrial Management And information Systems; industrial Policies And Technology Management; industrial Relations And Human Resources; informatics in Architectural Design; informatics in Architecture; information Systems And Technology; information Technologies; information Technologies in Design; innovation And Entrepreneurship; innovation And Entrepreneurship; innovation Economy And Growth; integrated Water Management; intelligent Systems Engineering; interior Architectural Design international; interior Architecture; interior Architecture And Environmental Design; international Competition And Trade; international Economics; international Economy And Development; international Economy Policy; international Economy Policy And Business; international Logistics; international Political Economy; international Relations; international Relations And Globalization; international Relations And Public Administration; international Relations And The European Union; international Relations: Turkey, Europe And Middle East; international Tourism Management; istanbul Research; Landscape Architecture; Landscape Planning; Law; Local Administrations And Decent Management; Local Administrations And Urbanization; Local Government And Politics; Local Governments; Local Governments And Governance; Local Governments And Urbanity; Local Governments, City And Environmental Studies; Local Governments, Urban And Environmental Policies; Logistics; Logistics Engineering; Management Of Cultural Heritage Areas; Map Engineering; Measurement information And Cadastro; Mechanical Engineering; Mechanical Engineering, Construction; Mechanical Engineering, Energy; Middle East And African Studies; Middle East Studies; Migration Policies And Research; Migration Studies; Numerical Design And Production Technologies in Architecture; Operations Research; Photogrammetry And Remote Sensing; Physical Geography; Political Economy; Political Science; Political Science And Public Administration; Political Studies; Politics And Technology; Population Science; Press Management; Probability Theory And Probability Processes; Product Life Cycle Management; Production And Supply Chain; Production Economy; Project Building And Management; Project Management; Protecting Cultural Assets; Protection And Repair Of Portable Cultural Assets; Public Administration; Public Administration And Urban Studies; Public Law; Public Local Administration Administration; Public Policy; Public Policy And Management; Quantification And Consideration; Real Estate Appraisal And Development; Real Estate Development; Real Estate Development And Management; Real Estate Development, Urban Transformation And Marketing; Real Estate Management; Real Estate Management And Financing; Reducing Earthquake Risk; Regional Development Economics; Regional Geography; Regional Planning; Regional Relations, Eu-Mediterranean Studies; Remote Sensing And Geographical information Systems; Renewable Energy; Renewable Energy Systems; Renewal And Conservation; Restoration; Restoration History Environmental Assessment; Risk Management Of Natural Disasters; Settlement Archeology; Social Environmental Sciences; Social Projects Management And Organization; Social Research Methods; Social Structure And industry Relations Of The New Turkish Republics; Social Structure And Social Change; Social Structure And Social Change Analysis; Social Studies On Turkey; Social, Economic And Political Relations in The Turkish World; Socio-Economic Development And Biotechnology; Sociology; Software; Software Engineering; Soil Mechanics And Geotechnical Engineering; Statistical information Systems; Statistics; Statistics And Computer Sciences; Statistics in Social Research; Strategic Research; Strategy Science; Structural Earthquake Engineering; Structural Engineering; Structural Sciences; Structure; Survey-Restoration; Sustainable Agriculture And Natural Resources; Sustainable Energy; Sustainable Environment And Energy Systems; Sustainable Growth And Quality Management; Sustainable Human Development; Sustainable Tourism Management; System Analysis; System Engineering; Technical Demography; Technology And industrial Economics; Technology Science And Society; Tourism; Tourism Design And Management; Town Planning; Traffic Planning And implementation; Transportation; Transportation And Logistics Management; Transportation Engineering; Turkey Relations Between The European Union; Turkish Studies; Urbanism; Urban Administration And Geographical information System (Distance Education); Urban Design; Urban Forestry; Urban Planning; Urban Policy Planning And Local Governments; Urban Protection And Renewal; Urban Protection Planning; Urban Renewal; Urban Sociology; Urban Space Organization And Design; Urban Studies; Urban Systems And Transportation Management; Urban Systems Engineering; Urban Transformation; Urban Transformation And Planning; Urban Vision, Urban And Architectural Design; Urbanization And Environmental Problems; Urbanization And Environmental Sciences; Urbanization And Social integration; Water Management; Wild Life Ecology And Management; Women And Family Research; Women And Gender Studies; Women's Research; Women's Studies And Social Gender; Works Of Modern Turkey
