*** Multiple presenters are welcome, but each presenter must register for the conference separately.**

*** A presenter may present a maximum of two papers per paid registration.**

Potential presenters are kindly requested to submit their proposals via survey monkey <https://tr.surveymonkey.com/r/M7LWRF3> by 18/07/2022. The presented papers will be published as a proceeding book (with an ISBN) after a review process. You may find the

necessary detailed information about structuring and submitting your proposal, screening policy and important dates for the conference from the relevant links on our website.

With the help of this conference, we expect to disseminate high-quality research findings that will contribute to the professional development of practitioners and scholars. Additionally, we hope that individual participants will find opportunities for productive interactions with colleagues and researchers, which will consequently make a great contribution to their professional development.

Hope to see you all in Ankara in October, 2022.
